Principal

Section 30 of the Student Online Personal Protection Act states the SOPPA does not apply to general audience Internet websites, general audience online services, general audience mobile applications, even if login credentials created for an operator's site, service, or application may be used to access those general audience sites, services, or applications (105 ILCS 85/30).

Rantoul Township High School District 193 has reviewed this application/website/service and has determined that its intended purpose is for a general audience, not specifically for educational purposes, and is therefore not subject to the requirements under the Student Online Personal Protection Act 105 ILCS 85 (Local policy 7:345).
